Curriculum Vitae

Skills and Competencies

LANGUAGE(S) SPOKEN	English (C1), Dutch (C1)
PROGRAMMING LANGUAGES	Java, Python, Linux ShellScript, HTML, CSS, JavaScript
SOCIAL SKILLS AND COMPETENCIES	I have great communication and social skills. I really like jokes and a creating a great atmosphere. Considering most of my experience is from working with costumers, I tend to be pretty good at this.
ORGANISATIONAL SKILLS AND COMPETENCIES	I have experience with Scrum, and was a scrum master. I worked with Git for many projects, and was for many the repository owner and reviewer.
COMPUTER SKILLS AND COMPETENCIES	I have experience with Docker (Compose), the Linux operating system, Git, Kubernetes, Nginx. I have dabled into Ansible, but I wouldn't call myself competent with it.
